

COURSE ID SHEET

Course No.	5027	NTUA							
Semester:	1	Core	X	Elective	X	Specialization			
Title:	ENGLISH LANGUAGE								
Aim:	The main objectives of the English Language course in the first three semesters are the following: • Raising students' awareness with regard to language use in a variety of social contexts and communicative tasks (development of linguistic awareness). • Gradual enrichment of vocabulary through authentic texts. • Practice in grammatical and syntactic structures (adapted to the level of each semester). • Practice in understanding and using spoken and written language through a variety of tasks. The level attained at the end of the 3rd semester is equivalent to C1, as it is defined by the Common European Framework of Reference for Languages.								
Content:	During all three semesters, the course focuses on the following areas: • Reading comprehension (texts from various sources). • Language awareness (grammar/vocabulary). • Written production.								
Hours per semester:	LECTURE	26	EXERCISES	-	LABORATORY	-	HOME-WORK	-	TOTAL HOURS: 26
Student performance /evaluation:	No evaluation.
